PARDO CARE

The evolution of skin care

Pardo 1927

At Pardo, we create cosmetic products specifically designed for hygiene and care suitable for the entire family.

A nearly century-long path in which we have not stopped innovating to put the quality you demand for your loved ones at your disposal. Today, we take a step further to serve skin types that need that extra care thanks to the creation of our first drug store line, Pardo Care.

Restorative body lotion 200 ml

Comfort and elasticity for
dry and sensitive skins.

Its rich though quickly
absorbed texture provides
deep hydration and
strengthens the skin's natural
defensive barrier, making it
feel nurtured, soft and
pampered.

Dermatologically tested.

**Comfort and
elasticity for
your skin**

Restorative body lotion 200 ml

ACTIVE INGREDIENTS

Cocoa butter, shea butter, marigold extract, vitamin E, almond oil, aloe vera and glycerin.

SUITABLE FOR

The whole family. All skin types, especially dry, sensitive and atopic skin. Suitable for children.

HOW TO USE

Apply all over the body twice a day, or whenever you feel dryness, tightness or discomfort.

Intensive care for your hands

Restorative hand cream 50 ml

Intensive care for dry and damaged hands.

Your hands' skin recovers its softness, elasticity and vitality thanks to its formula rich in nutrients and moisturizing agents.

Dermatologically tested on sensitive and atopic skin.

Fast absorption.

Restorative hand cream 50 ml

ACTIVE INGREDIENTS

Cocoa butter, vitamin E, marigold extract, aloe vera and glycerin.

SUITABLE FOR

Moisturizing hands, especially those with dry, sensitive, damaged or cracked skin.

Dermatologically tested on sensitive and atopic skin.

HOW TO USE

Apply to the hands whenever extra hydration is required.

Soothing Intimate Wash 190 ml

The most delicate care for your intimate hygiene.

Softly and delicately cleanses private areas, soothing and preventing irritation and providing a fresh sensation.

Dermatologically tested on sensitive and atopic skin.

SENSITIVE
SKIN

ALOE VERA
EXTRACT

**Delicate
and intimate
care**

Soothing Intimate Wash 190 ml

ACTIVE INGREDIENTS

Burdock extract and aloe vera.

SUITABLE FOR

Women with a tendency to suffer irritation in private areas.

HOW TO USE

Dampen your private area with water, apply the product and lather, then rinse thoroughly with water. Suitable for daily use.

Specific care for sensitive skin

Restorative balm 50 ml

Nourishes, regenerates and repairs the most delicate skin types.

Prevents irritation with the most delicate skin types, soothing, nourishing and regenerating it from outer damage. Dermatologically tested on sensitive and atopic skin, for both adults and children.

Restorative balm 50 ml

ACTIVE INGREDIENTS

Panthenol, marigold extract and aloe vera.

SUITABLE FOR

Preventing irritation and calming skin irritated by external agents. Skin care for bedridden people. Post-tattoo care. Suitable for children's diaper rashes.

HOW TO USE

Apply on clean and dry skin, covering the irritated area with a thin and even layer.

Restorative lip balm 15 ml

Repairs and protects dry
and chapped lips.

Restores hydration and
natural balance to the lips'
delicate skin, protecting
them from external damage,
giving them a smoother
and healthier appearance.

Dermatologically tested.

**Repair and
protect your
lips**

Restorative lip balm 15 ml

ACTIVE INGREDIENTS

Cocoa butter, vitamin E and tea tree oil. Unscented.

SUITABLE FOR

Dry lips and lips prone to flaking and cracking.

Also suitable to soothe irritation around the nasal area.

HOW TO USE

Apply on clean and dry skin, covering the lips with a thin and even layer.

Softness and protection for your skin

Soap for Sensitive Skin

Hygiene and care for
delicate skin.

The best of our natural
soaps, with all the deli-
cateness and care that the
most sensitive skins need.

Dermatologically tested on
sensitive and atopic skin,
for adults and children.

100%
VEGAN

DERMATOLOGICALLY
TESTED

Soap for Sensitive Skin

ACTIVE INGREDIENTS

Olive oil, shea butter and marigold extract.

SUITABLE FOR

Hygiene and care for the entire family, including infants and small children. Suitable for facial cleansing. Vegan formula.

HOW TO USE

Use the soap bar with water and rub the area to be cleaned. With infants, rub against the adult's hands under water to create suds and then wash the infant with soapy water.
